**Deanship of Postgraduate Studies and Scientific Research**

**Welcome to The First International Conference on Applied Medical Sciences**

**Dear Colleagues**

The organizers, the Faculty of Applied Medical Sciences and the Deanship of Postgraduate Studies & Scientific Research, are pleased to announce that the **First International Conference On Applied Medical Sciences (ICAMS)** will take place from 18 to 19 November 2017 at Al Azhar University-Gaza, Palestine.

**<http://www.alazhar.edu.ps/icams/index.asp>**

On behalf of the Conference Organizers, we are delighted to invite you to attend and participate by submitting an abstract for oral or poster presentation at the ICAMS.

**Please notify that the Deadline of the Abstract submission is due September,15<sup>th</sup> 2017.**

The ICAMS program will consist of plenary and keynote lectures, oral, poster, and videoconferencing sessions in which the scientists and researchers from Palestine, and other countries are welcome to participate.

We would devote to overcome the deliberate policy of isolating our people and scientific institutions, and to involve the Palestinian researchers in contact with each other's and with the international researchers in their fields.

The ICAMS is supposed to strengthen relationships and ties with other institutions and international scientists, and facilitates scientific joint research and visits. The conference intends to be an open forum and chance for presenting, discussing, sharing the latest experiences and exchange scientific findings, meanwhile bringing scientists together for solving special or general scientific dilemmas.

It is anticipated that such presentation and discussions will result in encouragements and improvements of scientific works and researches at the Palestinian universities, especially in the Gaza strip where people are trying to endure, recover and recuperate.

We would be very pleased if you could forward this invitation to the colleagues at your University/ Faculty/ Department/ mailing list.

On behalf of the ICAMS committees, we look forward to seeing you at Al Azhar University- Gaza, Palestine

Sincerely Yours

Dr. Nahed Ali Al Laham
