# SMART LEARNING BEST PRACTICE FORUM 2014 CALL FOR PARTICIPATION

Hamdan Bin Mohammed Smart University encourages all educational institutions and corporates to participate in the upcoming Smart Learning Best Practice Forum to be held in Dubai on the 20<sup>th</sup> of October, 2014

**Smart Learning Best Practice** Forum encourages the exchange and sharing of best practices in smart learning in the educational institutions and corporates across the world to support the continual growth and development of **Smart Learning** from a life cycle perspective including the ability to acquire innovative ideas, evaluate their worthiness, argue the case for their compatibility with strategic thinking and guiding them through a rigorous and systematic process of implementation prior to deriving tangible and intangible benefits.

## Forum Tracks

The Forum organizing committee is seeking contributions from educational institutions or corporates on best practices on all aspects and dimensions of Smart Learning. The participation is open for general debate on practices related to:

- Learner Centricity
- Excellence Orientation
- Smart Learning
- Smart Partnerships
- Technology Exploitation
- Resource Utilization
- Process Innovation

## Smart Learning Best Practice Award

Participants in the Forum can also choose to apply for the Smart Learning Best Practice Award honoring best practices in smart learning by educational institutions and corporates across the world.

## Important Information

- Participation in the Forum and/or the award is open to any individual or team practice in aspects related to smart learning that had been conducted in one or more departments or divisions in any educational institution or corporate across the world.
- Participation in the Forum is free of charge.
- The Forum organizing committee accept submissions in English and Arabic
- Participants in the Forum are requested to submit a one page description of the best practice and some basic information about their institution using the [Forum Registration Form](#).
- Participants in the Forum may also choose to apply for the Smart Learning Best Practice Award using the [Award Application Form](#).
- Best Practices presented in the Forum will be published through the Middle East Clearing House for Case Studies.

**Deadline for receiving the Award Applications is the 1<sup>st</sup> of July, 2014.**

**Deadline for registering in the Forum is the 1<sup>st</sup> of September, 2014.**
