

First International Scientific Conference of Zakho University

In spite of the fact that the University of Zakho is only of two years old, but with its highly experienced teaching staff members, the availability of modern research facilities and high standard postgraduate programs, enabled the teaching staffs to participate in various national and international conferences and to publish many scientific research papers globally. To provide a convenient scientific environment for researchers from universities, research institutes and industries from various parts of the world to discuss the latest research developments in various scientific and humanities fields, address the challenges of global importance and to find out the solutions. In the light of the above views, the University of Zakho is glad to announce the holding of its "1st International Scientific Conference " on April 23rd – 25th, 2013 at the UoZ Campus. The organizing committee welcomes original and high quality research papers in both Science and Humanities disciplines. The scientific materials will be carefully selected and subjected to critical scientific evaluation. Papers will be presented as invited and oral lectures.
